LLANTWIT MAJOR

“Llantwit Majors’s answer to Flatanger. I feel like I’m in Kalymnos”

- Cailean Harker

“The best sport crag East of Witches Point”

- Si Rawlinson

“The finest crag discovery during a pandemic via a paddle board”

- Rob Lamey

“It’s not for the nervous, but I’ll definitely come back. Maybe”

- Eugene T-J

Stout Dugout - 7c+

Access

Park close to the entrance to Rosedew Farm or on Mill Lay Lane.

Tidal Notes

Access around into the crag is generally cut off around 3 hours after low tide giving a 6hr window. Abseil stakes above the crag can extend your climbing window by at least 1hr. It is possible to climb throughout the tide during neap tides. Any swell may cut off access earlier.

Conditions

Best after dry periods of weather and low humidity helps.
